### EXPERIENCE

#### Laboratoria Boot Camp

JAN 2019- Present

Projects completed with JavaScript language:

- Data management (pokemon go)
- Social network (Travel for Women's)
- Hackathon laboratoria, hackeando la desigualdad.

We created a Social Network named Step and Safe, to keep Women's safety while moving through the city. This project gave our team the 3rd place in the contest..

Project with ALEXA Amazon Skills:

- Hackathon Talent Land Alexa track.

Project completed Framework React.JS:

- Menu restaurant
- Search Restaurants (API Google Maps)
